RE: Administrative Fine by Consent Agreement No. AF 04-003

Dear Mr. Murphy:

The New Hampshire Department of Environmental Services, Air Resources Division ("DES"), received confirmation on June 3, 2004, that payment was made to the Hebron Village School from the Hebron Bridgewater Refuse Disposal District ("the District") in the amount of \$1,500, as required by Administrative Fine by Consent No. AF 04-003. In addition, the District has incurred no violations of open burning laws and rules for two years since the effective date of the Agreement of May 4, 2004. Therefore, DES has determined that the specific issues addressed in the Administrative Fine by Consent No. AF 04-003 have been resolved in a manner consistent with the NH Admin. Rules Env-A 100 *et seq.*, NH Rules Governing the Control of Air Pollution.

Please be advised that DES will continue to monitor the compliance status of the District. It is important that the District continues to be aware of and complies with all of the requirements set forth in State Permit to Operate No. PO-C-0382.

If you have any questions regarding this letter, please contact Barbara Hoffman, Enforcement Section Supervisor, Air Resources Division, at (603) 271-7874. Thank you for your cooperation and efforts to achieve and maintain compliance.

Sincerely,

Pamela G. Monroe
